

Decontamination Certificate

To protect all persons involved with handling medical products and in order to fulfill the legal requirements imposed by the EN 13485:2016 section 6.4 we kindly ask you to return this statement about the decontamination duly signed.

I/We herewith confirm that:

all instruments, medical apparatus, products/goods that are returned for repair, loaners or unpacked original product have been properly cleaned, disinfected and if applicable autoclaved prior to being sent to us.

This confirmation is valid

for this very shipment with our delivery note/order/
No.: / dated:

until revoked
(in the case that this certificate is no longer valid please inform us shortly)

Place & date

Signature & stamp of the customer

Please place this certificate onto the goods in the parcel prior to shipment. We would also appreciate if instruments were packed in plastic bags along with your repair order.

Bühler-Instrumente Medizintechnik GmbH reserves the right to decline acceptance of goods which are not reprocessed properly.

Thank you very much!
